CANON PHOTO

Version 1.5 for Windows® 95,
Windows 98 or Windows NT® 4.0

Advanced Photo Technology

- Bring pictures to life with rotation and animation
- Turn still images into 360° panoramic movies
- Animate visuals to show time-lapse photos or visual instruction
- Retouch and enhance photos with professional results
- Get and organize your photos quickly
- Choose from over 250 templates to print clever invitations, flyers and more
- Send images or projects to your home page or as an e-mail attachment.

Using powerful Canon photo technology, you can instantly enhance and retouch your photos. Or let them take on a whole new dimension with special effects. Use advanced photo tools to turn still images into high-impact 360° panoramas. Bring pictures to life with rotation and animation. Then share your masterpieces by posting them with Canon Web Publisher. If you want to take digital photography to new places, you've just struck Gold!
