*Photo Org™
Photo Albums
is the ultimate
digital photo
album. It is the
easiest way to
quickly organize,
enhance, archive
and share
your scanned,
downloaded and
digital images –
in print or on
the Internet.*

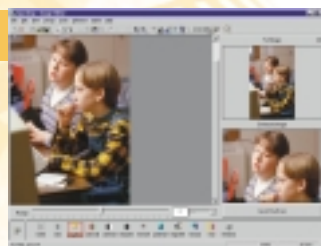

Arrange

Organize your photos in visual “rolls of film” for easy archiving, viewing and retrieval. Keyword search through all film rolls or photo creations to find the desired photos.

Enhance

Enhance photos the fast and easy way with our one-click editing features. Adjust brightness and contrast or eliminate “red-eye” with a click of a button.

Calendars and Albums

Create great-looking albums, calendars and slide shows. Add clip art, borders, sample photos and personalized photo captions to enhance your custom projects.

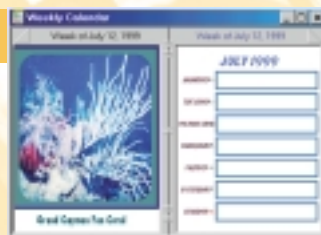

Photo Prints

Print photo sheets, calendars and color prints in all sizes to share with friends and family.

Internet Sharing

Share special occasions with your favorite people via e-mail. Send electronic albums, projects or slide shows, or post albums to 5 MBs of your own free private area on the Photo Org Web Site.
